

Survey on Advocacy in Parents of Children with Special Needs

Please consider completing an anonymous survey to share your experiences of advocating for your child with special needs. The survey is expected to take 25 minutes to complete. The results will be used to inform services and policies to support families of children with special needs.

The survey is being conducted by Sarah Taylor, MSW, PhD, Associate Professor of Social Work at CSU East Bay. Please feel free to contact Dr. Taylor at sarah.taylor@csueastbay.edu or at 510-885-2155 with any questions or comments about the study, or to request that a paper copy of the survey be mailed to you. Participants who complete the survey will be invited to enter a drawing to win a \$50 Amazon Gift Card.

You can also direct questions about the study to the CSU East Bay Institutional Review Board at irb@csueastbay.edu or at 510-885-4212.
